Mr Wm Macleod

Dear Sir

Your letter
in regards to sending the
St Sebastian to you just
received - I wish to state
our reason for sending to
the Cochran Art Gal was
that it was registered as
coming from there - since
the exhibition closed Mr Lubna
has unfortunately passed
away after a very short
illness - which has left
us some what mixed up
in regards to matters of

this kind - I consulted
Mr John Santam (who has
charge of the Fine Arts)
he advised me to ship
it as I did - if you do noo
wish to keep it advise
us where to send it too
or to whom it belongs
and we will have to
delivered at our expence
Sorry that it should
have happened so and
are willing to do any
thing to correct - Let
me hear from you - and
please give us Mr Robert
Hinkles address. You respcd.

Dear Mr. McLeod

I am greatly annoyed to learn that Parker's picture of "St. Sebastian" has been sent by Mr. Teubner to the place from which it came instead of the artist's residence in Paris, where he directed it to be sent (64. rue de La Rochefoucauld). This is one of many similar blunders that Teubner made in disregard of the plainest directions. He had charge of packing and shipping of the pictures &c. and a pretty work he made of it. Since his return home he died, but if he had only died three months sooner before this work was begun it would have saved me a world of trouble. Please reship the box to H. Teubner, 1436. South Penn Square, Philadelphia, and oblige Yours faithfully J. M. Santini
